

## 2024 EXHIBITORS

### Annual Meeting 2025- Regina, Saskatchewan

---

Set the wide-open prairie city of Regina as your destination on Monday, June 9 to Wednesday, June 11, 2025, for the next CCMTA Annual Meeting! On Wascana's small but mighty shores you can meander kilometres of interconnected urban trails, take a serene paddle on the lake, hop around our quaint craft brewery circuit, cheer with the CFL's most dedicated fans, check out our vibrant arts scene and enjoy our innovative local culinary creations. Our pizza is thick, our doughnuts are sourdough, our football is green, our people are friendly, and the sky is alive. Come and be charmed by all that Regina has to offer! <https://accsupport.com>

### Accident Support Services International Ltd

---

Accident Support Services International Ltd. (ASSI) established "One Stop Collision Reporting" in Canada, a partnership between the police, insurance industry, and private enterprise. Providing professional Collision Reporting Centres (CRCs) since 1994 allowing police to reallocate resources to higher priority needs. Creator of CROMS (Collision Reporting and Occurrence Management System) providing mobile, analytics, provincial/RMS data transfers. Operating in 52 police jurisdictions, fully funded by the Insurance Industry, no cost to the police or public. <https://accsupport.com>

### Alberta | Transportation and Economic Corridors

---

Providing a safe and efficient transportation system to support Alberta's economic, social and environmental vitality. To align with this mandate, Alberta is making changes to their Class 1 Mandatory Entry Level Training (MELT) program in favour of a new learning pathway for commercial drivers; being designed as an apprenticeship-style model to increase driver skills, improve safety, and enhance training for current and prospective Class 1 drivers in Alberta. <https://www.alberta.ca/transportation-and-economic-corridors>

## **Alberta Motor Transport Association (AMTA)**

---

The Alberta Motor Transport Association is a not-for-profit, advocacy and safety training association that functions as The Voice, The Standard and The Resource for commercial transportation. For over 86 years, our work has encompassed a broad range of environmental, social, economic, safety and compliance matters that impact provincial highways. Safety, research, and innovation are at the heart of our projects, enabling AMTA to bring key stakeholders together to lead research and develop new technologies that significantly enhance the industry while reducing environmental impacts. <https://amta.ca/>

## **Alcohol Countermeasure Systems Corp**

---

Alcohol Countermeasure Systems (ACS) is an international group of companies with over 40 years of experience developing innovative technology to prevent impaired driving. A leading designer and manufacturer of alcohol interlock devices and breath alcohol testers, ACS provides products and services to law enforcement, automotive, industrial, public and personal safety markets. We ensure the highest standards for products, services and the environment through our quality management system, which includes accreditation to ISO 9001, IATF 16949, and ISO 14001. [www.acs-corp.com](http://www.acs-corp.com)

## **American Association of Motor Vehicle Administrators**

---

The American Association of Motor Vehicle Administrators (AAMVA) is a tax-exempt, nonprofit organization developing model programs in motor vehicle administration, law enforcement, and highway safety. The association also serves as an information clearinghouse in these areas and acts as the international spokesperson for these interests. [www.aamva.org](http://www.aamva.org)

## **Bluedrop ISM**

---

Bluedrop ISM is a recognized technology innovator that transforms training delivery and credential management through its SkillsPass workforce training platform. SkillsPass is the trusted solution for governments and industry groups around the globe to advance critical skill development and lifelong credential management. Bluedrop was recently recognized as one of Canada's Top SME employers for the second year in a row.

Visit [smartstartcanada.ca](http://smartstartcanada.ca) for more information.

[www.smartstartcanada.ca](http://www.smartstartcanada.ca)

## **Thales DIS USA, Inc**

---

Trusted identity is a vital component of a well-functioning society.

That's why improving security, slashing ID fraud and identity theft, and creating an infrastructure of trust for new online access are high on every government's agenda, with a call for greater security features and the necessary legislation to implement them.

Many advanced countries are now demonstrating that, beyond the security benefits for both states and individuals, national ID cards with their derived digital IDs can provide citizens and businesses with real services and benefits without infringing upon new rules on data protection and civil liberties. <https://www.thalesgroup.com/en>

## **The War Amps of Canada**

---

The War Amps is a registered charity that has been making a difference in the lives of Canadian amputees, including veterans, adults and children, for more than 100 years. We provide funding for artificial limbs, peer support and a strong organization to advocate for amputees' rights. The War Amps is funded by donations to our Key Tag Service; we do not receive government grants. <https://www.waramps.ca/home/>

## **Tyler Technologies, Inc.**

---

Company Description: Tyler Technologies (NYSE: TYL) is a leader in digital government solutions and payments, partnering with government to deliver user-friendly digital services that make it easier and more efficient to interact with government. Tyler's mission to empower public sector

entities to operate more efficiently and connect more transparently with its constituents and the industries it serves. Tyler's broad solution and product offering empowers you to deliver better and faster assistance to the public — greater transparency and accessibility, sustainable office practices, secure data that's easy to manage and maintain, and faster results. Tyler manages the Pre-Employment Screening Program for the US DOT, FMCSA.
