

WHO WE ARE

The Canadian Council of Motor Transport Administrators (CCMTA) is an incorporated body, whose members have responsibility for the administration, regulation and control of motor vehicle transportation and highway safety in Canada.

CCMTA's owners are Canada's 14 provincial, territorial and federal governments, responsible for transportation and highway safety.

VISION

To have the safest and most efficient movement of people and goods by road in the world

MISSION

To provide collaborative leadership in addressing Canadian road safety priorities and members' digital services

VALUES

Respect
Accountability
Collaboration
Engagement
Responsive
People First

OUR MANDATE

Active in road safety for over 80 years, our role is to:

-  Respond to specific requests made by the Council of Ministers Responsible for Transportation and Highway Safety and advise and make recommendations to members as appropriate.
-  Encourage and foster Pan-Canadian uniformity and regulatory cooperation to the extent possible.
-  Identify and address national road safety concerns and conduct research that supports members.
-  Develop and maintain Pan-Canadian and International agreements.
-  Exchange knowledge and data, using technology, to support members' needs.

STRATEGIC PRIORITIES

AGREEMENTS

GOAL

Develop and maintain Reciprocal Pan-Canadian and International Agreements

OBJECTIVES

- National Safety Code
- Road Safety Strategy
- Canadian Driver Licence Agreement
- International Agreements
- Data Exchange Agreements
